RE: WAIVER REQUEST FOR MAINTAINING RECORDS AT A SEPARATE LOCATION

Your waiver request has been granted, with the following conditions:

- Your business/accounting office must keep separate the books, files, and records for the dealership. They may not be co-mingled with the business records of the rental and leasing companies.
- Original books, files, and records must be easily accessible to the department's representative during normal business hours.
- All other place of business requirements must be maintained.
- Your business will be randomly inspected a minimum of once a year to insure compliance with this waiver's conditions.
- **This waiver letter must be posted with the dealer's license at the licensed location.**
- You must also post this waiver letter and your Washington State Motor Vehicle Dealer's License and Master Business License on your web page or by a link, if applicable.

This waiver shall be subject to reconsideration and cancellation if the unique and unusual circumstances that warrant a consideration change, if complaints are received by the department, or if conditions imposed by the granting of this waiver are not maintained.

If you have any questions about these requirements, or if these circumstances change, please contact investigator Robert Grant at 206-264-3577.

Sincerely,

Lewis Dennie, Administrator
